Champion News

We've introduced Champions to each of our 27 neighbourhoods to help the neighbourhood teams with the work they do in your area. Tony Green, Champion for Bethnal Green Road, talks about some of the things he has been up to in your neighbourhood:

"As well as all the great things happening in your neighbourhood as part of your action plan, we've been promoting our Safe and Secure scheme to residents who would like us to be in more regular contact with them to check up on their well being. We've also planted new trees from the Woodland Trust in your neighbourhood. The new trees will replace any that have been cut down for health and safety reasons and make your neighbourhood a much greener place to live. We hope you enjoy them."

Rent arrears – we are here to help!

Rent arrears in your neighbourhood are higher than the average for Tower Hamlets Homes.

At different times in our lives we can all be helped by extra advice or support, so it is important to remember that you are not alone.

If you are worried about your finances or not sure what to do when there are changes in your housing benefit we can work with you to tackle your debt problems.

The Rents team works with independent advice agencies to help you find better ways to manage your money, make savings on your bills and access the benefits you are entitled to.

Please call us on 020 7364 5015 or email us at: rents@towerhamletshomes.org.uk

Tenants' and Residents' Associations in your area

Tenants' & Residents' Associations (TRAs) are a great way to get involved in your community. They give a voice to residents who live in the same area. And they're great for people who want to be more involved in how their homes and neighbourhoods are run.

There aren't any TRAs in your area, so why not set one up? We can offer advice, support and training to help you.
