Resident Training Programme 2019-20

Learn to do more

Want to learn new skills? Build your confidence? Find out more about living in your home? Then you may be interested in attending one of our training courses.

Our Resident Training Programme covers a wide range of topics to suit different needs – from improving your community to learning more about living in your home and food growing to health and safety.

We also run courses for residents who are members of residents' associations to help them with chairing meetings and organising community events.

Accredited training means you will receive a nationally recognised qualification.

All courses are free to residents of THH, EastendHomes, Gateway, Metropolitan, Poplar HARCA, Providence Row, Southern Housing Group, Spitalfields, Swan and THCH.

"I feel very inspired, confident and motivated to implement what I've learnt in this training in my personal and professional life."

Miss L, Resident
