

Estimated service charge and major works for 2018/19

We are again including an estimated major works bill with your estimated day to day charges. The estimated major works and the estimated annual service charges will still be shown individually and will continue to have separate payment options. Whilst you need to make immediate arrangements to pay the day to day charges we will write to you individually about when to make payment of the major works.

Why are we doing this?

We're making these changes so that all the estimated costs are in one place. That way you will know at the start of the billing year what you are being charged for and how much you need to pay. The major works payment options are not changing so we'll still be able to offer you different ways to help spread the

cost. We'll also still carry out the usual consultation with you when we propose major works and, in addition, invite you to a pre s20 block walkabout.

Building Insurance

As you may be aware the Council's Building Insurance section have been undertaking a s20 consultation exercise with you and sought competitive quotes for the building insurance commencing on 01 April 2018. Given that we are obliged to ensure cover is in place, we have factored in an increase in the amounts payable by you.

Find out more about the changes to service charge bills on our website, visit www.thh.org.uk

Make life easier with MyTHH

MyTHH is an online service which allows you to view your THH account 24/7 – giving you secure access to a range of services at times that suit you.

MyTHH gives you a live view of your service charge account and you can also:

- View your invoices
- View current and previous repairs on the communal

areas of your block and estate

- Log requests and message us securely
- Take part in surveys to help improve services

Registration is quick and easy – sign up at my.thh.org.uk and once your details are validated you'll be emailed a user name and password.

Need to claim on your building insurance?

Contact the Council's Insurance Section on 020 7364 6568. All claims must be made within 90 days. See our website www.thh.org.uk for details.

Swipe cards

An easy way to pay your bills

Swipe cards are a simple and convenient way to make cash or card payments. You can use them at any PayPoint outlet or Post Office in the high street.

To order a swipe card, call 020 7364 5015 or email: contactus@thh.org.uk

 Independent advice about your lease and service charges is available at www.lease-advice.org

London, E14 1GU

What does your service charge cover?

Depending on the services you receive your estimated service charge may include some or all of the following:

BLOCK SERVICE

We take the estimated cost of providing a service to your block including management and operational overhead costs.* This is the total service cost. We apply this cost to all the homes in your block based on the individual GRV of each home.**

 **Block repairs**
Repairs to the structure, communal areas and services in your building. Examples could include: repairs to the roof, windows, communal water supply, waste pipes, and minor redecorations such as painting and cyclical maintenance to risers.

 **Lift**
Repairs and maintenance

 **Communal TV aerial**
Repairs and maintenance

 **Communal door entry**
Repairs and maintenance

 **Communal boiler**
Repairs and maintenance

Your charge
We estimate the cost of each service for 2018-19. You pay a proportion of this cost based on the GRV** of your home.

 **Block caretaking service**
Cleaning communal areas, stairs and corridors, bin chambers, rubbish chutes and lifts, graffiti removal, changing light bulbs, minor repairs and general management of the block.

Your charge
We estimate the cost for caretaking in 2018-19 to be £6.44m or £25.18 per hour. We multiply the cost per hour by the number of caretaking hours planned for your block.

 **Refuse service (bin hire)**
THH hire paladin bins (the large circular or square bins on wheels) from LBTH under a service agreement.

Your charge
We estimate the cost of hiring paladin bins. You pay a proportion of the cost based on the GRV** of your home.

 **Concierge service**
Block and estate security, including onsite concierges, mobile patrols and CCTV systems.

Your charge
We estimate the cost of the service for 2018-19. You pay a proportion of this cost based on the GRV** of your home

 **Communal boiler fuel**
Providing and managing the fuel supply for communal heating and/or hot water systems.

Your communal heating system charge
We estimate how much fuel your system will use and we multiply it by 2018-19 prices.

Your charge
We divide the communal heating system charge between each home based on boiler points. Boiler points are based on the service provided, and the number and size of rooms in your home.

 **Communal electricity**
Providing and managing the communal electricity supply for communal lighting, lifts, door entry systems, heating systems and water pumps.

Your communal electricity charge
We estimate how much electricity your block will use and multiply it by 2018-19 prices.

Your charge
We divide the communal electricity charge between each home based on the GRV.**

ESTATE SERVICE

We take the estimated cost of providing a service to your mapsite*** including management and operational overhead costs.* This is the total service cost. We apply this cost to all the homes on your mapsite based on the individual GRV** of each home.

 **Estate repairs**
Communal repairs to the external areas of your mapsite including repairs to paths, railings, fences, bollards, clearing and unblocking drains, repairs to playground equipment and other facilities.

Your charge
We estimate the cost of this service for 2017-18. You pay a proportion of this cost based on the GRV** of your home.

 **Estate caretaking service**
Cleaning, sweeping and litter picking, removing graffiti, minor repairs and safety checks to external areas.

Your charge
We estimate the cost for caretaking in 2018-19 to be £6.44M or £25.18 per hour. We multiply the cost per hour by the number of caretaking hours planned for your mapsite.

 **Grounds maintenance**
Grass cutting, planting and weeding flower beds, tree pruning, emptying dog bins on your mapsite.

Your charge
We estimate the cost in 2018-19 for your mapsite based on the number of hours planned. You pay a proportion of this cost based on the GRV** of your home.

 **Refuse service**
Bulk waste and fly-tipping collections from your mapsite. We don't charge you for the collection of normal domestic waste from the paladin bins because you pay for this service through your Council Tax.

Your mapsite costs
We estimate the cost for this service for 2018-19. You pay a proportion of this cost based on the GRV** of your home.

CUSTOMER SERVICE

 **Leasehold management**
Includes service charge accounting and audit, calculating and billing service charges, income collection, dealing with payments and enquiries.

Your charge
You pay an equal share of this cost. If you are a freeholder with an account you pay a percentage of this cost.

 **ASB**
Dealing with anti-social behaviour.

 **Pest control**
Providing treatments for certain types of pests, helping identify pests, and providing information on treatment.

 **Customer access**
Housing Service Centre, first point of contact for all resident queries and complaints.

 **Resident engagement**
Supporting the formal resident engagement panel, tenant and resident associations. Conducting resident surveys.

Your charge
We estimate the cost for these services for 2018-19. You pay a proportion of the cost based on the GRV** of your home.

KEY

* Operating overheads are costs for things like office premises, telephones and IT equipment.

** GRV (Gross Rateable Value) is a measure of your property's size and value compared with the size and value of other properties in your block. This is a simplified definition only.

*** Mapsites help us to calculate leasehold charges such as horticulture and caretaking services. Mapsites give us important details of many of our estates and communal areas including footpaths, estate roads, grass areas, shrub beds and buildings.

Your quick guide to Major Works Payment Options

Cheque or Postal Order

Cheques or postal orders should be made payable to:

London Borough of Tower Hamlets

Send cheques or postal orders to:

Cashiers Payments
Albert Jacob House, 62 Roman Road, London, E2 0PG

Write your name, address and your 11-digit invoice number on the back of the cheque or postal order. For postal payment receipts, please provide a self-addressed, stamped envelope.

FIRE SAFETY ADVICE ARE YOU PREPARED?

It's important that you know how to reduce the chances of a fire starting in your home and keep yourself, your family and your property safe from fire. Check out www.london-fire.gov.uk for tips to keep your home safe and know what to do in a fire.

Is your gas appliance safe?

Gas appliances should be safety checked every year and serviced regularly by a Gas Safe registered engineer. Don't leave it to chance – unchecked appliances could pose a risk to you and your family.

Our repairs partner, Mears, now offer annual gas servicing (£60 plus VAT). To book, call 0330 123 9776.

IS YOUR FRONT DOOR FIRE SAFE Does it meet the legal requirements?

The front door to your property is a secret weapon against fire. It can prevent fire and smoke from spreading to the communal areas, and cutting off the escape routes. If you own a property in a block, and the front door opens onto an enclosed escape route, you must make sure the front door set provides at least 30 minutes fire resistance (FD30 standard). If it doesn't, you'll need to replace it – remember you'll need our permission before you carry out the work. **Contact us on 020 7364 5015 for more details. We're here to help.**

It's nice to change things around every now and then...

Did you know you need permission before you can make alterations or improvements to your home that alter the structure of the property or fixtures and fittings serving the building or estate? This includes altering the plumbing or fitting a new boiler.

If you carry out work without our consent, we have the right to ask you to put your property back to its original condition – which could cost you hundreds of pounds. Not to mention it would be a breach of your lease. **For a full list of alterations and improvements that will need our permission, visit our website www.thh.org.uk**

FOR LANDLORDS

Have you registered your property with the landlord-licensing scheme?

The Council is getting tough on landlords with unlicensed properties in the Whitechapel, Weavers, Spitalfields & Banglatown wards. A licence costs £520 and lasts five years. If you don't register, with the scheme, the Council can fine you and reduce your licence to just one year.

For more details or to check if your property falls within the three wards, visit: www.towerhamlets.gov.uk/Ignl/housing/Landlord_Licensing_Scheme.aspx

Get Gas Safe

If you rent out your property, make sure you get your gas appliances safety checked by a **Gas Safe registered engineer**. Do it every year – it's the law. If left unchecked, appliances can cause gas leaks, fires, explosions and carbon monoxide poisoning. **Don't take the risk.**

To book a gas service with Mears, call 0330 123 9776 (£60 plus VAT).

Rent with confidence: register a new tenancy with us

If you rent out your property to someone else you need to register the tenancy with Tower Hamlets Homes. It's as easy as 1 2 3...

- 1 Contact us for a sub-letting pack
- 2 Sign and return the Deed of Covenant along with a £25 registration fee
- 3 Sign and return the Change of Contact Details form.

 **Failure to get consent means you're in breach of your lease.**

For more details contact us on 020 7364 5015 or visit our website.
