## Welcome to your new neighbourhood team

We've been busy listening to your views on how you want to see your housing service improve. You told us you want a local, visible and flexible service and we are acting on it.

That's why we are focusing our services on 27 individual neighbourhoods.

Each neighbourhood has its own Neighbourhood Housing Officer - your central contact for all your housing services, and a Neighbourhood Housing Team.

We are also going to ask you about how we can make our services meet your local needs. Jenny Waddams, your Neighbourhood Housing Officer, will tell you more about what we have planned below.

## Hello!

I'm Jenny Waddams your Neighbourhood Housing Officer

I will be working with your neighbourhood team to deliver you a local, visible and flexible housing service.

To do this, we need your views on how we can make our services meet your local needs.

Come along to your Tenants and Residents Association (TRA) meetings and let us know your ideas. If you don't have a TRA we will set up local meetings and let you know about them.

We can talk about what we can and can't do. We can then pick the best ideas and put them into a Local Action Plan. We will need to agree a final plan together by March 2010.

I will report back to you, here in neighbourhood news, to keep you up to date with how we're getting on.

Residents have said they want to get more involved

in how neighbourhood news looks and sounds. In the next edition, there will be a section just for your news and pictures. If you have any ideas about what you would like to see or if you want to get involved in your Local Action Plan, get in touch.

You can reach me by phone, by email or just by having a chat with me when I'm in your neighbourhood; I'll be the one wearing the blue jacket!
